Re: Southern California Edison Company
Docket Nos. ER11-3697-000, ER11-3697-001 and ER11-3697-003

Dear Ms. Bose:

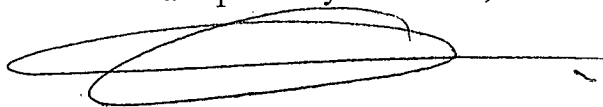

In accordance with the provisions of Rule 602 of the Federal Energy Regulatory Commission's ("Commission") Rules of Practice and Procedure, 18 C.F.R. §385.602 (2013), Southern California Edison Company ("SCE") submits for electronic filing in the above-referenced dockets the documents described below. Please transmit a copy of the documents to the Presiding Administrative Law Judge, H. Peter Young. The Offer of Settlement ("Settlement") is intended to resolve all issues in these proceedings. The Commission Trial Staff and all Intervenors have indicated that they either support or do not oppose resolution of these proceedings according to the terms and conditions described in the Settlement. The following documents are attached:

1. An Explanatory Statement;
2. The Offer of Settlement, including several Exhibits attached thereto;

3. Clean and redline versions of Appendix IX of SCE's Transmission Owner Tariff for each applicable period, reflecting the modifications in accordance with the terms of the Settlement;
4. A draft Commission letter order approving the Settlement; and
5. A certificate of service.

Comments on the Offer of Settlement are due on September 16, 2013, which is 21 days after the date of this filing, and reply comments are due on September 25, 2013, which is 30 days after the date of this filing. Further, to ensure that certain conditions set forth in the Offer of Settlement are met, SCE respectfully requests that the Commission issue an order by November 15, 2013.

Respectfully submitted,

Anna J. Valdborg
