**SOUTHERN CALIFORNIA EDISON COMPANY NOTIFICATION
OF EVIDENTIARY HEARINGS OF THE SUMMER DISCOUNT
PLAN (SDP) PROCEEDING,
APPLICATION NO. A.10-06-017, FILED JUNE 30, 2010**

**DATE: Monday, December 6, 2010 – TIME: 9:00 A.M.
THRU December 8, 2010 – TIME: 9:00 A.M.**

**LOCATION: Commission Courtroom, 505 Van Ness Avenue,
San Francisco, CA. 94102**

The California Public Utilities Commission (CPUC) will hold evidentiary hearings in the Southern California Edison (SCE) Summer Discount Plan (SDP) proceeding to cover its incremental costs for the air conditioner cycling demand response program. Historically, the program has been called only for grid reliability and emergency reasons. Due to new requirements, the SDP program must be modified so that it can also be triggered based on the price of electricity. The modified program reduces customers' energy usage during peak periods, helps electric system reliability and allows SCE to avoid purchasing power at high price periods.

Evidentiary hearings will begin on December 6, 2010 at 10:00am, and will continue daily through December 8, 2010. The Administrative Law Judge (ALJ) may modify the schedule at a later date, and will preside over the evidentiary hearings. The assigned Commissioner may be in attendance as well. The evidentiary hearings will be held at a designated CPUC hearing room in San Francisco, CA at the address noted above. During the evidentiary hearings, formal Parties of record participate, present testimony and oral arguments addressing the issues as set forth in the assigned Commissioner's Scoping Memo dated September 15, 2010.

EVIDENTIARY HEARINGS

The CPUC holds evidentiary hearings whereby the formal parties of record provide testimony and are subject to cross-examination before the CPUC's ALJ. These hearings are open to the public to attend and listen, but only those who are formal parties of record

can actively participate. After considering all proposals and evidence presented during the formal hearing process, the assigned ALJ will issue a proposed decision. When the CPUC issues a final decision on A.10-06-017, it may adopt, amend or modify all or part of the ALJ's proposed decision as written. The CPUC's final decision may be different from SCE's proposed application filing.
