**NOTICE OF APPLICATION OF SOUTHERN CALIFORNIA EDISON
COMPANY’S REQUEST TO INCREASE ELECTRIC RATES FOR THE 2021
ENERGY RESOURCE RECOVERY ACCOUNT REVIEW
APPLICATION A.22-04-001**

On April 1, 2022, Southern California Edison Company (SCE) filed its Energy Resource Recovery Account (ERRA) Review application (Application) with the California Public Utilities Commission (CPUC). SCE’s Application requests CPUC approval for an increase of \$25.706 million in SCE’s revenue requirement due to a net under-collection in five authorized SCE memorandum and/or balancing accounts. SCE would recover this amount in electric rates beginning in 2023 if the CPUC approves SCE’s Application.

Why is SCE requesting this rate increase?

SCE is required to file its ERRA Review application for the CPUC’s review on April 1 of each year. In 2021, five authorized SCE memorandum and/or balancing accounts had an under-collection of funds that were necessary to provide electric service to SCE’s customers. As a result, SCE requests to recover the under-collection would increase residential customers’ rates by approximately 5 cents per month, for one year.

How could this affect my monthly electric rates?

If SCE’s rate request is approved by the CPUC, the average residential monthly bill using 500 kilowatt-hours (kWh) per month would increase by approximately \$0.25, or 0.17% per month, from \$149.80 to \$150.05. The following table shows current rates compared to the proposed rate changes by customer type.

How does the rest of this process work?

This Application will be assigned to a CPUC Administrative Law Judge (ALJ) who will consider proposals and evidence presented during the formal hearing process. The ALJ will issue a proposed decision that may adopt SCE's Application, modify it, or deny it. Any CPUC Commissioner may sponsor an alternate decision with a different outcome. The proposed decision, and any alternate decisions, will be discussed and voted upon by the CPUC Commissioners at a public CPUC Voting Meeting.

Parties to the proceeding are currently reviewing SCE's Application, including the Public Advocates Office at the California Public Utilities Commission, which is an independent consumer advocate within the CPUC that represents customers to obtain the lowest possible rate for service consistent with reliable and safe service levels. For more information about the Public Advocates Office, please call 1-415-703-1584, email PublicAdvocatesOffice@cpuc.ca.gov, or visit PublicAdvocates.cpuc.ca.gov.
